

CUSTOMS POWER OF ATTORNEY

IMPORTANT

INFORMATION AND INSTRUCTIONS

A properly executed Customs Power of Attorney is required in order for us to transact Customs business on your behalf. The Power of Attorney must contain the full legal name of the person, company or entity granting authority, the assigned Social Security Number, E.I.N., I.R.S. Federal Tax Number or Customs Assigned Number if a Non-Resident, and must be signed by said individual, sole proprietor, or partner or LLC partner or, in the case of a corporation, an officer of the corporation or individual duly authorized to sign such legal document on behalf of the corporation. The offices of President, Vice-President, Secretary and Treasurer are assumed to have such legal authority. If the signatory does not hold one of these named offices, copies of the Articles of Incorporation or a Resolution of the Corporate Board of Directors must be attached to support the individual's authority to sign.

Please be advised that although Customs business may be transacted upon our receipt of a photocopy, electronic copy or facsimile of the Power of Attorney, the signed original is required to be maintained and available for examination by Customs if requested. We recommend that the signed original Power of Attorney be forwarded to our offices to be maintained as part of our records. If not, please know that you are required to maintain the signed original Power of Attorney and to make same available for examination by Customs if requested.
